5. Application # Z-22-143; 451 Coshocton Street Certificate of Appropriateness

a. Application & Staff Report

Planner Bailey Morlan said this application is for a building addition, the proposed expansion is approximately 70,000 square feet and the existing structure is approximately 53,000 square feet, the applicant is also proposing additional parking spaces and drainage improvements to service the addition. The exterior design of the addition will match the current building, this is not in a design review district. Staff recommendation is approval.

Applicant present for questions on the proposed site plan. Discussion on ability to match existing building color. Heather Green noted the number of trees they are taking out, asked if there was any buffer to the rear. Applicant said the majority were taken down. Ms. Morlan said if the applicant gets and approved COA this evening, they will be required to get a zoning certificate and before that is approved, they would have to submit a landscape plan and storm water plans for review. Review of parking shown.

Public Comments: No comments
